Dear Pastor & Friends,

Here we are in a wonderful new year and a lot of new things happening or going to happen.

First things first, a new Grandbaby! She is three months old, this picture is two and half months old. We only have three grandchildren but as you know, they are Grand! Her name is Avery.

Next: New CD's, or should I say old but new on display table. It has been some time now but I did have for a short period of time these Cd's on my table. Vol. 1 2 and 3 of the early years. They were made from my first six cassette tapes that I recorded. Yes, I did say cassettes. I burnt all these Cd's in house which became very time consuming. From the CD jackets front and back to light scribing the picture on the Cd's, then burning the music on the Cd's ,then the packaging. It had become so time consuming I quite carrying them. They were the first six cassette tapes that I recorded. I've been able to negotiate with a package company a fair price to once again put these 3 Cd's on the table. Some of the song titles I'm sure you'll be familiar with. Beulah Land, The Altar, Hello Mama, Daystar Shelter In The Arms Of God, I Know Who Holds Tomorrow, He Touched Me, My God Is Real, Just A Closer Walk With Thee, 20 songs on each CD.

Next: New Knees! As many of you know, my knees have been bone on bone for many years. Well, about ten years. It's time. Please keep me in your prayers. I'm in the process of finding the right doctor, then setting the date for surgery. I've never been in the hospital, I'm NOT excited about it, but I am excited about not living in continual pain. I might be able to get a little excited when I preach. Amen!

Next: We're still talking about new. I was just with Rev. Scott Quidley in their brand new building at McCauley Ave Baptist Church. It was beautiful and what a great time in the services the Lord allowed us to have. Those are some wonderful folks. I've been blessed to have the privilege to minister there many times through the years. Also keep their Pastor Brother Scott Quidley in your prayers. He has such a wonderful spirit, never complains but dealing with health issues that need your prayers.

Continue to pray that God would give me safe traveling mercy and for souls to be saved and lives to be changed. As I'm writing this letter, there is ice outside and talk of snow tonight. I need to be in Missouri in a couple of days and shortly thereafter, in New Mexico.

A lot going on but I'm excited about a great year. Already had some great revivals in Tennessee and in the Panhandle of Texas and looking for many more this year. God bless! Till next time.

In His service,  
Dr. Allen Hatch
