Dear Pastor & Friends,

I hope this letter finds everyone well as we enter into the summer months. I'm not exactly sure where to start. I have a lot to share. I guess I could start with my **New CD**.

March, I was in the state of Illinois doing revivals. After arriving home, I went into the studio to make a new CD. I'm receiving good response from those who have heard the CD. I'm very excited about this one, not that I wasn't on the others but this one is one of my favorites out of 12 projects. Some of the songs recorded are: What a wonderful World, One pair of hands, Suppertime, We shall see Jesus, Look for me, Calvary's the reason why, and many others. It is available on my website: www.allenhatch.com

April and May I continued to stay busy. I was blessed to have preached many great Revivals but one that continues to stand out was in Snyder Texas, Faith Baptist Church. What a great revival. One night the invitation went at least forty five minutes to an hour. Each and every service just continued to be sweeter than the one before. People letting go of bitterness, letting go of burdens, and allowing forgiveness to take place in their hearts. I also had the privilege of preaching and singing in some new works. That's always a blessing to help new churches. One that is about a year old, Solid Rock Baptist Church, in Rusk, Texas. Rev Harris, where we had a tent Revival. Another work, that just built a new building, Higher Ground Baptist Church, in Tyler, Texas, Rev. Culpepper.

February, I had a tremendous revival at Southside Baptist Church in Joplin, Missouri. But on May 22nd at 5:45 P.M their world was turn upside down by a Tornado. Two thousand structures were destroyed. Forty percent of the town was displaced or ruined. There are families in the church that are greatly in need of your prayers, not just for the destruction of their homes but some of their relatives outside the church went home to be with the Lord. You can go to southsideofjoplin.com and see the pictures of the destruction of the church and around the church. The tornado was twelve miles long and three quarters of a mile wide. I spoke to the Pastor today, Rev. Owens. Wow! What a great spirit he had. He shared with me, We were having church in a camp but the Seven Day Adventist in town has allowed them to use their building for services. And with that great spirit. Rev. Owens Said: We're still having church ! If the Lord leads, it would greatly be appreciate, I'm sure. If you want to send a love offering or donation send it to:
