To Whom It May Concern,

I am delighted to give testimony in reference to Dr. Allen Hatch. Dr. Hatch is a close personal friend. He is very dear to our family. Dr. Hatch is a family man. He loves his wife and his children. He loves the Lord and he loves God's people. Dr. Hatch seeks to follow the Word of God in his life and is a man of high moral character.

He has ministered to our church (Bethel Baptist Church, Munford, TN) in evangelism for over sixteen years. Many people have been saved and many Christians have been encouraged in their service for the Lord. Our church is always looking forward for Dr. Hatch to come. Dr. Hatch's signature statement is, "I Just Want TO Be A Blessing!" God has used him in our life in a great way and in the lives of the people at our church. A blessing he has been. Dr. Hatch has always left our church better than he found it.

I can without hesitation recommend Dr. Allen Hatch to you and your church. God's hand is upon him and you will not be disappointed.

Sincerely,

Dr. Harold Bledsoe
Pastor
